

PRO • 1050 (WIDE)

RIBCRAFT DEEP-V HULL™

Building on the proven capabilities of the 10.5m PRO, the WIDE PRO boasts an extra-wide 3.5-meter beam. This industry-leading width enhances stability for offshore operations, while retaining the 10.5m PRO's signature deep V hull and high sheer bow for exceptional seakeeping and a dry ride.

Highly customisable, the 10.5m WIDE PRO adapts to any mission with center console, seating options, micro cabin or even a fully enclosed cabin.

Twin, triple outboards, or sterndrives/jets provide tailored power, while robust construction guarantee unwavering reliability. Each Ribcraft features heavy-duty Hypalon™ tubes.
