RIBCRAFT DEEP-V HULL™

The Ribcraft 7.8 PRO is a proven workhorse, trusted for its exceptional seakeeping and durability. Its deep V hull and long bow sheer slice through rough offshore conditions, delivering a stable and dry ride for crew and passengers. This versatile craft boasts a 2.7-meter beam for exceptional stability and can be configured with single or twin outboards, stern drives, or water jets to suit specific needs. The spacious deck accommodates personnel or equipment, while routed control cables ensure an uncluttered working area.

With a wide range of consoles, seating, and power options, the Ribcraft 7.8m can be customized for military, commercial, or rescue applications.
