

9.0 PRO

The Ribcraft 9.0 answers the call of the serious offshore user with unparalleled handling characteristics and flexibility in design. Used by a variety of professionals, from military and law enforcement agencies, to tour operators and commercial organizations, the Ribcraft 9.0 provides generous deck space for people and equipment.

With endless accessories and deck configurations ranging from a simple center console, to twelve individual pod seats or a fully enclosed pilot house, the RIBCRAFT 9.0 accommodates any application.

With a classic high sheer bow and convex warped hull to her generous 3.0 metre beam, this boat is the answer for the serious offshore user. Ribcraft 9.0 Offshore will carry crew, payload or passengers over long distances maintaining respectable speeds whatever the conditions. She is the ideal choice for the dedicated professional and can be customised to individual specifications whatever the intended usage.

Propelled by either outboard or inboard engines, she gives a sparkling performance and her responsive handling makes her a pleasure to helm in any sea state.
