 RIBCRAFT DEEP-V HULL™

The Ribcraft 10.5 PRO delivers the ultimate offshore response. It features Ribcraft's signature deep V hull and bow sheer with an extended waterline and generous beam for exceptional seakeeping and a dry ride. Its generous 3-meter beam ensures stability for long passages and heavy payloads.

Highly customisable with center console for an open layout, micro cabin or even a fully enclosed cabin, the 10.5m PRO adapts to any mission. Twin, triple outboards, or sterndrives/jets provide tailored power, while robust construction and thorough testing guarantee unwavering reliability. All Ribcraft models feature heavy duty Hypalon™ inflatable tubes.
