RIBCRAFT DEEP-V HULL™

The Ribcraft 9.0 PRO answers the call of the serious offshore user with unparalleled handling characteristics and flexibility in design. Its deep V hull and high sheer bow slice through waves, delivering a dry ride for crew. The 9.0 PRO boasts a generous 3.0-meter beam, and is available in a range of layout configurations, from open, to micro cabin and fully enclosed cabin, capable of carrying crew, payload or passengers over long distances maintaining respectable speeds whatever the conditions.

Highly customisable for military, commercial, or rescue use, it offers expansive deck space for personnel or equipment. Power options include single/twin outboards, stern drives, or water jets, ensuring mission-specific performance.
